The original St. Mary's School was situated on the grounds of St. Andrew's Catholic Church on Reynolds street in Oakville and was founded by Robin Smith and Fr. Morgan Rex-Ryan. The original building was eventually demolished in order to make room for a growing parish community. On September 5th, 2012, approximately 350 students, their families and 30 staff entered through the doors of St. Mary and joined together to celebrate the gift of Catholic education. God blessed us abundantly with faith and hope as we awaited the fulfillment of his plan.

Bronte Creek Provincial Park offers two interpretive centres. Spruce Lane Farmhouse, located close to parking lot F in the day-use area, showcases what life for the early farmer (1890 -1905) must have been like. Many demonstrations and special events highlight this one-of-a-kind living history museum. The Nature Centre is located next to the big Red Play Barn and Children's Farm. Displays feature the unique natural elements of the park: ravine and creek, field and forest. Kids love to visit with our turtles and explore hands-on in our discovery room. Many daily programs in the summer start here at the Nature Centre. Bronte Creek Provincial Park is home to one of Canada's largest outdoor pools. This 1.8 acre pool is located at the Recreation Complex in the Day-Use area. The pool is a large pond shape that is designed for wading with a starting depth of mere centimeters, gradually deepening to 2 m (6 ft) in the center.
